

U.S. Inspects Batory, Eisler's Escape Ship

U.S. Agents Board Her In N.Y. Harbor

New York, June 4—(AP)—The government sent a swarm of agents aboard the Gerhart Eisler escape ship today surrounded her with guards, detained the crew and held 11 passengers for Ellis Island hearings.

As the Polish liner Batory docked on her first trip here since the Eisler escape, there were conflicting statements on whether the government was seizing the ship or only inspecting it.

Early statements of officials, that the government might be in the process of seizing the ship and that it was under U. S. control, were discounted later by top immigration officials.

Polish Embassy Standing By
The Polish embassy in Washington said it would use "all legal means against any unjustified or illegal action."

The number of detainees was unusually large. Officials said from 12 to 20 would be normal for a ship of the Batory's size.

The final number to be detained still was uncertain as immigration officials continued to examine the liner's nearly 700 passengers.

An immigration official said those detained would be taken to Ellis Island by barge. They will remain there at least over the week end, as a special inquiry board is to start hearings Monday.

District Immigration Director Edward Shaughnessy said a majority of those held were "of doubtful citizenship."

He said they lacked documentary proof of citizenship but might be able to produce it at the hearings. Officials said others were detained for lack of bonds, travelling on visitors passports although not legitimate visitors, and other causes.

"Government Men"
A squad of more than 30 city policemen joined others described only as "government men"—it was unknown whether they were from the FBI, immigration or customs—to guard the pier.

A police official said they were ordered "to assist government men and see that no member of the crew leaves the ship."

Aboard the ship, it was learned, crew members were undergoing more than ordinary scrutiny.

It was believed government agents were questioning them to find out if any had helped Eisler stow away.

Shortly after the crowd of immigration agents boarded the Batory, Pete Esperdy, assistant district immigration enforcement officer, told reporters the Batory "may be in the process of being seized."

But District Director Edward Shaughnessy met the seizure reports thus:

"As far as seizure is concerned, from an immigration standpoint, we immigration people have no such thing in mind."

Shaughnessy later said Esperdy had told him he had made no such statement.

Gilliland Named Strategy Chairman Of GOP By Scott

Washington, June 4—(AP)—GOP national chairman Hush D. Scott Jr. today announced the appointment of Whitney Gilliland of Iowa as chairman of a party strategy-executive committee.

But some Republicans, who interpreted this as a move to keep Scott in full control of the party machinery, said the choice might be challenged at the group's first meeting Tuesday.

A party official who asked not to be quoted by name said it had been the understanding of some of the prospective members that they would elect their own chairman, Thomas E. Coleman, finance chairman for Wisconsin, recently involved in a headquarters tiff with Scott, had been mentioned as a possible choice.

Scott, who heads the party's 23-member strategy committee, and Coleman, its vice chairman, are executive members of the seven-member executive group.

Others named included Senator Owen Brewster of Maine, who heads the Senate GOP campaign committee; Rep. Leonard W. Hall of New York, chairman of the House campaign committee; Rep. Cecil M. Harden of Indiana and Gov. Arthur B. Langlie of Washington.

TRAVEL EXPENSES
Springfield, Ill., June 4—(AP)—A bill appropriating \$244,800 for state attorneys traveling expenses outside their counties awaits further House action.

The Illinois house appropriations committee must hear the measure, Washington, D. C. They met in the medical school and were married last June.

T-H Backers Say Demo Bill Plays Into Hands

Washington, June 4—(AP)—Senate Republicans battling to keep a big part of the Taft-Hartley law continued today that a democratic compromise drive plays into their hands.

But Senator Douglas (D-Ill.), a leader of the move to revise the Truman labor bill, took a sharply different view. He said:

"I think we've got a very good chance to put our program across."

Senate debate on the administration bill is scheduled to start Monday. It would repeal the Taft-Hartley Act and replace it with a slightly modified version of the old Wagner Act.

Three Republicans, Senators Taft (Ohio), Donnell (Mo.) and Smith (N.J.), are sponsoring a substitute measure which would retain the basic provisions of the T-H law.

Both their substitute and the administration bill amendments backed by Douglas and a group of other senators—including both Democrats and Republicans—provide for presidential seizure of struck plants in national emergency disputes.

That proposal came under bitter attack by the National Coal Association. John D. Battle, the association's vice president, said in a statement that "seizure does not solve labor disputes; it only leads to more seizure and ultimately to nationalization and state-ism."

Five proposed amendments to the administration bill, including the seizure proposal, were offered to an all-day meeting of democratic senators yesterday. There was no decision on any of them, but backers of the amendments claim they attracted some support which they said the administration bill otherwise would not get.

Amid the talk of compromise, William Green, president of the American Federation of Labor, served notice that "labor will never be satisfied with anything else" except outright repeal of the Taft-Hartley Act. He said this congress "has a clear mandate from the people" for such action.

New Military Pay Bill Announced By House Committee
Washington, June 4—(AP)—A new military pay bill giving corporals with over seven years service a bigger percentage boost than officers was announced today by the House Armed Services committee.

But all members of the armed forces would get more money under the revised measure, including recruits who were left out of the original pay increase bill the house sheaved less than two weeks ago.

Rep. Kilday (D-Tex.) who was in charge of drafting both proposals, told reporters the new plan would cost about \$358,000,000 a year more than present military pay outlays, as compared with the \$406,000,000 price tag on the rejected measure.

He said he will introduce the compromise bill Monday and that his Armed Services committee will hold a brief hearing Tuesday to allow members of congress to express their views. He said the bill will be ready for House action during the week of June 13.

The revised measure would provide generally smaller percentage increases than the original measure. For example, brigadier generals would be upped 37 per cent instead of almost 50 per cent; major generals, 23 per cent instead of 34 per cent, and colonels, 20 instead of about 25 per cent.

AMA Meet Will Probably Blast Health Insurance
Atlantic City, June 4—(AP)—The American Medical Association—world's largest organization of doctors—prepared for its annual powwow today with indications that President Truman's call for compulsory health insurance would take a terrific lacing.

The A.M.A. declared it expected more than 16,000 doctors from this and other countries to attend sessions officially opening Monday at which the House of Delegates—policy-making body of the organization—will consider "such matters as education of the American public against the dangers of compulsory sickness insurance x x x."

The week-long parley, said the A.M.A., "will be one of the most important ever held by the largest medical organization in the world. The decisions will be vitally significant in determining the future of medicine in this country."

The organization said it expected that more than 30,000 persons, including wives and guests of A.M.A. members, would be registered in some 1,000 hotels in this resort city.

The A.M.A. has been outspoken in opposition to President Truman's plan to have the nation's workers pre-pay their sickness costs by deductions from take-home pay.

The organization that represents organized medicine favors "voluntary" pre-payment plans supervised by state medical societies.

2 Husband, Wife Medical Teams To Get Their Degrees
Rochester, N.Y., June 4—(AP)—Two husband and wife medical teams will embark on joint professional careers after they receive doctor of medicine degrees from the University of Rochester School of Medicine and Dentistry June 20.

They are Mr. and Mrs. Eidon E. Ellis and Mr. and Mrs. Bruce L. Till. They are among 68 candidates for degrees, including 12 women.

Mr. and Mrs. Ellis will serve their internship in San Francisco. Ellis comes from St. Francisville, Ill. His wife is the former Irene Clay of Washington, D. C. They met in the medical school and were married last June.

Enesco To Spend Month At U. Of I.
Champaign, Ill., June 4—(AP)—George Enesco, composer, violinist, pianist and conductor, will spend a month next spring as artist-in-residence at the University School of Music.

The University said he will appear as a performer and conductor with both the 75-piece U. of I. symphony orchestra and the symphonic string orchestra of 35 members.

Berlin Ry Strikers Propose East-West Split Of Railways

Berlin, June 4—(AP)—West Berlin's fired for political reasons or for railway strikers proposed today that the German railroad administration split itself into two business offices along East-West lines to end the two-week walkout.

Rejection was implied, however, by a statement of the president of the Soviet-controlled system, Willy Kreikemeyer, to a West Berlin reporter.

"There is only one management," Kreikemeyer snapped.

West Berlin's lord mayor, Ernst Reuter, offered in a letter to Kreikemeyer to lend the railway system West marks and proposed himself as a mediator in an effort to speed the settlement and get the 14,000 strikers back to work.

The strikers suggested that the Russians, could still operate as one system, but have both West Berlin and East Berlin offices.

The western office, under this proposal, would recognize the striking independent trade union (UGO), pay the workers in West marks, and guarantee the workers would not be fired.

UGO leaders said they were reluctant to advocate such a division, but a spokesman said "we think they (the administration) will negotiate."

UAW At Deere Co. Vote To Accept Company's Terms
Waterloo, Iowa, June 4—(AP)—Members of the Cio United Auto Workers Union local at the John Deere Waterloo Tractor Works voted today to accept the company's offer of a new contract.

The action was the first to be announced by any of the union locals at seven Deere Farm equipment plants in Iowa and Illinois following breakdown of contract negotiations at Moline, Ill., yesterday.

UAW Local 838 in Waterloo has approximately 5,500 Deere & Co. Employees as members. Carl Dahl, president of the local, said a "substantial majority" of about 1,200 members who attended a mass meeting this afternoon to discuss the deadlock had voted to accept the firm's offer.

He said the company would be notified "as soon as possible" of the action.

When negotiations were broken off yesterday, the company said it remained ready to "enter into new contracts on the basis of offers which have been available for the last six weeks."

The union, which had been seeking "substantial wage increases and \$100 monthly pensions for workers 60 years old and over," earlier had said the company's offer included a five-cents an hour wage boost and other benefits including some equalization of salaries.

500 Persons March In Protest Against Jailing Of 3 Reds
New York, June 4—(AP)—A police-estimated crowd of 500 persons marched outside the federal house of detention today in protest against the jailing of three of 11 top U.S. communists on trial for conspiracy.

The wives of six of the accused communist leaders, including two of those remanded to jail, paraded in the demonstration. Children of two of the 11 defendants carried placards reading, "our fathers fought fascism; free them now."

The three, John Gates, Harry Winston and Gus Hall, were ordered imprisoned yesterday after their hectic, 20-week trial exploded into a new outburst of disorder and confusion in the federal courtroom here.

They, along with the other defendants, are charged with conspiracy to advocate the violent overthrow of the U.S. government. Gates, editor of the daily worker, was jailed for contempt of court and Winston and Hall for denouncing his sentence.

Meanwhile, through one of the Battery of defense attorneys defending them at the trial, they issued a statement saying they were "tremendously gratified" over sharp protests from some quarters against their detention.

Body Of Girl, 9, Found In Chest In Neighbor's Attic
Worcester, Mass., June 4—(AP)—The body of Anne Marie Magnuson, 9, was found tonight in a cedar chest in a neighbor's attic. Police held for questioning a veteran under psychiatric treatment for two years.

Dr. John C. Ward, medical examiner, said "there is evidence of attempted rape at least." He said he would perform an autopsy later tonight.

The youngster's body was clad only in a shirtwaist and one shoe when found stuffed in the box in the attic of Mr. and Mrs. Edward F. McCann. The other shoe was on the floor nearby but her other clothes were not found.

Dr. Ward said the only mark on the blonde, blue-eyed girl's body was a bruise on the right elbow. He added the exact cause of death would not be determined until the autopsy was completed.

Poace Capt. Andrew F. O'Brien said the veteran, 22, was picked up in a local theater an hour and a half after the child was found.

Mrs. McCann discovered the body, hidden under a blanket in the chest, during a search of the neighborhood when the child failed to return home for supper.

Police said the girl was last seen walking with the man held for questioning.

New Jersey Paper Wins Top Honors In 'Daily' Contest
Salt Lake City, June 4—(AP)—A New Jersey newspaper, the Daily Journal at Elizabeth, won top honors tonight in the daily newspaper division of the general excellence contest, sponsored by the National Editorial Association.

In the weekly field top honors went to the Schorrie County Journal of Cobleskill, N.Y.; the messenger Gazette of Somerville, N.J., and the Times of Montclair, N.J.

The awards were announced at the NEA convention here. Winners were disclosed in nine divisions of the Association's annual contests.

For general excellence in typography the top two awards for daily newspapers went to the News and Times of Kingsport, Tenn. The News won first place and the Times, published in the same plant, placed second.

Thomas F. Barnhart of the University of Minnesota headed the judging staff for the general excellence contest.

8 Of 14 Jail-breakers Recaptured By Police

May Have To Tell Size Of U.S. A-Bomb Stocks

Washington, June 4—(AP)—The study of McMahon's suggestion, but size of America's atomic bomb stockpile might have to be disclosed to get a proper assessment of the work of the atomic energy commission, Senator McMahon (D-Conn.) said today.

McMahon is chairman of the Senate-House atomic energy committee which is investigating charges of "incredible mismanagement" leveled by Senator Hickenlooper (R-Iowa) at AEC chairman David E. Lilienthal.

The current investigation, McMahon said, "gives point and means" to his earlier suggestion for a study of the effects of lifting the secrecy ban on the number of bombs.

However, Hickenlooper told reporters he doesn't think that is "a safe area for publicity."

McMahon noted he had pointed out in a February speech "that it would be impossible to properly assess the conduct of the atomic energy commission's affairs unless the congress and the American people had a pretty reliable idea of what our stockpile of atomic bombs is."

"We must carefully weigh the benefits and any military disadvantages that might come from divulging this information," he continued.

He added that he is making a study of this situation, as are some of his colleagues.

President Truman has opposed making public any information on the number of bombs stockpiled. Lilienthal recently promised a

Foreign Ministers Of Big Four Break Up Long Session
Paris, June 4—(AP)—Four weary foreign ministers broke up tonight a four and a half hour secret session on uniting Berlin and an American source said a "little progress was made."

"It was just a little," the informant added.

Western officials said there definitely was an "area of agreement" between Russia and the west, but this concerned broad general principles and could come to nothing in consideration of details.

Barely had the foreign ministers broken up their formal meeting at 8 p.m. when U.S. Secretary of State Dean Acheson and Soviet Foreign Minister Andrei Vishinsky went into a less formal huddle over their dinner plates at the American embassy. They were delayed getting to their dinner by the formal session—the longest the foreign ministers have had yet.

U.S. Ambassador David C. Bruce was official host. Charles Bohlen, Russian expert in the State Department, and Vladimir Pavlov, Russian interpreter, were at the elbows of their chiefs.

Plane Flies Round Trip From N. Y., Frisco By Radio
White Plains, N. Y., June 4—(AP)—A DC-3 plane, carrying a commercial cargo and observer passengers today completed a round trip from White Plains to San Francisco unguided by human hands while on its course.

Pilot William B. Watt landed the plane at its home base, Westchester county airport, after an "uneventful five-and-a-half-hour last leg from Minneapolis."

The plane was operated in the air by a radio control device, with an electronic perfecting mechanism added at Minneapolis on the west-bound trip. Watt said it worked "perfectly."

He operated the plane manually on landings and takeoffs with aid of ground control instruments.

After that, Watt said, he "cupped" the automatic pilot to radio ground tower direction beams, picking out one beam after another as the flight continued, the plane flying itself.

Seek To Find How 3 Children Were Locked In Ice Box
Walnut Ridge, Ark., June 4—(AP)—How did the door of a wooden ice box close on three children at a farmhouse near here and bring their death?

Authorities in this little northeastern Arkansas county seat were pondering that question tonight.

Mrs. Ed Chastain, mother of two of the children found in the ice box yesterday tightly wedged in an ice compartment—a space 34 inches high, 12 inches wide and 16 inches in depth.

James Delbert Chastain, two, and Shirley Ramsey, six, were dead when a doctor arrived. Joyce Ann Chastain, nine, died early today in a hospital without regaining consciousness.

Millard Hardin, prosecuting attorney, said a coroner's jury found two children suffocated by a cause or circumstance not yet known. The third child, who survived several hours after the ordeal, died from a cause not yet established.

Hardin said it was possible the children themselves locked the doors, "but it is highly improbable." He said state and county authorities are continuing their investigation.

PROPOSES PROBE OF RIGHT-WINGERS
Washington, June 4—(AP)—A freshman Democrat suggested today that the House set up a committee to investigate the "right wing" the same as the un-American activities committee is probing Leftists.

Representative O'Sullivan, a Nebraska lawyer serving his first House term, made the suggestion in an article put in the congressional record.

If the American form of government ever is overthrown, he said, "it will not be by the weak and crude left-wingers but it will be by the strong and slippery extreme right-wingers."

Donates Copy Of Gettysburg Speech To Cornell U.
Ithaca, N. Y., June 4—(AP)—One of five known existing copies of the Gettysburg address in Lincoln's own handwriting has been donated to Cornell university.

The so-called Pancroft copy, described as being in the finest condition of any of the five copies, was given to Cornell by Mrs. Nicholas H. Noyes of Indianapolis.

The gift by Mrs. Noyes, the former Marguerite Lilly, was a personal contribution to the greater Cornell fund campaign. Her husband, a 1906 Cornell graduate, is chairman of the finance committee and a director of Eli Lilly and company, executive vice-chairman of the fund drive and a university trustee.

The Lincoln manuscript was penned by the president at the request of George Bancroft, noted American historian, to be sold for the benefit of Union soldiers and sailors and their families. The manuscript, written on the first and third pages of a folded lettersheet, was not disposed of, however, and Bancroft obtained Lincoln's permission to retain the copy.

The American Indian bridegroom showed respect for his mother-in-law by never meeting or speaking with her. This arrangement was believed to prevent quarrels.

Planes, Jeeps Used To Look For Other 6

Moundsville, W. Va., June 4—(AP)—Eight of the 14 long term convicts who cut their way out of West Virginia's old penitentiary were recaptured today.

Planes, jeeps and road blocks were being employed by law enforcement officials to flush the six still at large.

The mass break was engineered before dawn yesterday.

Caught In Upper Ohio Area
The latest two to fall into the net tightening around this upper Ohio river area were captured by Police Chief Earl W. Walker of Belpre, O.

They were Everett Leroy Roble, 28, and Elmer Tichnell, 28, holdup men from Parkersburg, W. Va., who had escaped once before.

Walker picked them up as they were walking along a Belpre street. One of those captured after less than a day and a half of uncertain freedom was shot in the shoulder by an Ohio State Highway patrolman after he was spotted walking along a highway in nearby Powhatan, O. He was identified as Mike Ables, 34-year-old lifer.

Holly Starcher, a kidnapper, was captured with him.

A combination of hunger pangs and the alertness of a country storekeeper sent the other four back to the 83-year-old penitentiary.

They were Dennis P. Taylor, 27; Jack Heene, 47; Donald Wurster, 23, and Charles P. Ross, 28.

Gone East 10 Miles
They had made their way eastward about 10 miles to the farming section near Glen Easton, W. Va.

Taylor, still in prison garb, went to a small grocery operated by Floyd Fritzman and his 22-year-old wife, Twila.

The other three hid in the woods nearby.

The convict ordered "more groceries than three men could eat," Fritzman related. When the grocer started to question him, Taylor made a break for the door.

Fritzman grabbed a pistol and fired five shots. Taylor was not hit, but he stopped dead in his tracks. Then, while Fritzman held him at bay with a shotgun, his wife called officers already in the neighborhood. A search of the woods soon flushed out Taylor's three companions.

State police said they believed a fifth man was hiding in the same area.

As hundreds of law enforcement officers continued their hunt through the mountains and flatlands near the river, a full investigation continued into the break from the supposedly "escape-proof" section of the prison.

Wiley Asks Prompt Action On Project On St. Lawrence

Washington, June 4—(AP)—Senator Wiley (R-Wis.) today called on the Senate foreign relations committee to "display statesmanship" by acting promptly on legislation to authorize the St. Lawrence seaway and power project.

The administration-supported bill was introduced Wednesday by Senate majority leader Lucas (D-Ill.) for himself and 19 other Senators—12 Republicans and eight Democrats.

Wiley, in a letter to committee Chairman Connally (D-Tex.)—an avowed opponent of the huge international project—said that "we of the middle west hope that at least (the) committee will display statesmanship by promptly and unanimously—if possible—acting on this vital legislation."

GIVE EX-GI SAMPLE ON GERMAN'S LIFE
Frankfurt, Germany, June 4—(AP)—Daniel McCarthy, the former GI who wants to be a German, was set free today to get a sample of what the life is like.

U.S. District Attorney F. Johnson of St. Louis, Mo., who tried for three days to talk McCarthy out of dropping his American citizenship, recommended waiving \$500 bail.

The 22-year-old youth of New Hyde Park, N.Y., penniless, without a ration card and without a job, went to live with a German family until his trial June 13 on charges of entering the country illegally.

WEATHER
The Norbury Sanatorium, cooperative observer for the U. S. Weather Bureau, yesterday reported the temperatures for Saturday as follows: High, 87; low, 66; and at 6 p.m., 84.

Forecast For Illinois—Partly cloudy today with not much change in temperature.

COVERED WAGON CARRIES TREASURES

When one of the original covered wagons which carried the treasured possessions of many a pioneer as he went West in search of gold and opportunity 100 years ago, comes to Jacksonville on Monday, June 6, it should be given a royal welcome.

That's because this covered wagon, in its modern '49'er role as the symbol of the Opportunity Savings Bonds Drive, is bringing to our attention the most treasured possession of many Americans today—U. S. Savings Bonds. It was when gold was discovered in 1848 that the covered wagon first began to carry treasured possessions. Built by the thrifty Pennsylvania Dutch farmers to carry their produce and their flour to market over rough countryside, it was designed purely for utilitarian usage.

Therefore, when the gold rush began, it was the one and only vehicle of the time suitable to make the long haul across the plains and the mountains.

It served that purpose well, to journey's end, in many an instance, but it also did more than that.

For into the covered wagon the pioneer '49'er packed not only his household goods and the necessities for the long, perilous journey, but his wife and children; his household goods which were to be "set-up" in the new land, and even things of sentiment... the walnut bedstead, a luster pitcher, a bit of fine glass, a piece of rare pewter, or the silver spoons and the lace "from across the sea."

Small wonder the wagon trains were received with rejoicing when they made the journey safely!

Out of them a new home was begun, and a new life. That such a symbol of democracy should come to Jacksonville is indeed an honor. Modernly dressed it is more than ever a carrier of treasure... a representative of opportunity and security for the future.

Let's pay honor to the pioneer '49'er when it comes! Let's be modern '49'ers ourselves! We can be by buying Bonds from the old covered wagon.

CREDIT BY DEGREES

In the old days, a man could generally boast to his wife about his college achievements without fear of contradiction. It's likely to be different now. As often as not, the little wife is right there on the college scene, watching the record shape up.

And if there's any credit to be claimed for a job well done, she apparently wants part of it. Witness what's going to happen during graduation week at the University of Colorado this year:

Wives of graduating veterans will receive a special award called P. H. T., for "Putting Husbands Through."

The award will certify that any particular wife is a "graduate from the trial and tribulation of putting her husband through the university, and is entitled to all the rights and privileges thereunto appertaining."

Presumably this includes the privilege of not listening when he starts to unwind about what a great figure he was in the old college days.

KEEPING A CAMPAIGN PROMISE

Congressman Peter F. Mack, Jr., of Carlinville wasn't kidding last fall when he told voters in the Twenty-first district that if elected he would take 100 children to Washington. He is getting ready to put his campaign promise into effect. Congressman Mack has chartered three buses and engaged the services of six drivers. One hundred boys and girls have been selected to make a three day tour to the nation's capital at Congressman Mack's expense. They were chosen from throughout the district including Mason, Menard, Sangamon, Christian, Macoupin, Montgomery and Bond counties, according to the number of votes cast in each county.

The start of the caravan will be made June 20 from the state capitol at Springfield and the return will be June 24. The trip to Washington will be non-stop. Police escorts along the route will guide the buses. The Carlinville representative has insured each child against accident during the trip. The children will be housed in the Continental hotel in Washington.

Not many congressmen cut out such an ambitious program for themselves before they take their seat in Washington. But Congressman Mack was sincere in his promise to children of his district. One hundred of them will experience three days of excitement and education, visiting scene steeped in history, around which the wheels of government revolve. The boys and girls selected for the tour are fortunate. But we wonder if in these days of pressure groups, Congressman Mack isn't starting something that might spread to other districts and states. With a group of determined eighth grade students demanding free trips to Washington, a new kind of campaign issue might pop up in the 1950 congressional elections.

Commissioner To Be Elected Next Tuesday

A vacancy on the Morgan county expired term of the late William board of commissioners will be filled by election. Polling places in all the 43 precincts at a special election to be held Tuesday, June 7, with two precincts in the county will open at candidates seeking the job. J. Rex 6 a.m. and close at 5 p.m.

Ransom, 1505 South Main street, is expected to be the Republican candidate, and be of the quiet variety, considerable interest has been shown by voters.

Several thousand votes are expected to be cast.

Both men were nominated by their respective parties without opposition. The successful candidate in Tuesday's special election will serve more were expected before his office closed for the day.

Rotarians Hear Guest Speakers At Ladies' Day

Two women who are carrying on special work with crippled children in the Jacksonville school system were speakers at a Ladies' Day luncheon of the Rotary club Friday at the Dunlap hotel, which drew an attendance of 120 Rotarians, Rotary Anns and guests.

Miss Josephine Milligan, who is in charge of the special room at Washington school, described her work with crippled children, particularly victims of polio.

Mrs. Elizabeth Brannan, special therapist in the public schools, old of her work both in England and since coming to Jacksonville.

Both women expressed appreciation to the Rotary club for therapeutic work which the club provided for children in the local schools who are under special treatment.

The guest speakers were introduced by Dr. Walter Reineking, program chairman.

Rev. Lewis N. Raymond was song leader and Mrs. Leola Hutchison was at the piano. Invocation was offered by Rev. W. H. Pankhurst, President of the H. L. Caldwell presided at the guest day meeting.

Ashland Teacher To Present Pupils In Annual Recital

Ashland—Mrs. Anna Marie Reed will present her music and dance students in their annual spring recital on Monday, June 6, at the local high school at 7:30 p. m. (CST). The recital this year will be in five parts.

The dancing section of the recital will exhibit tap, ballet, acrobatic and adagio dancing. The music portion will tend to show the advancement made by the children.

Those to receive music awards are: Mary Jane Gilbert, Jimmy Wright and Shirley Edwards. Those to receive elementary certificates are Gary Owens and Betty Fulton.

The other students participating are Margie Jo Davis, Pat Davis, Tommy Reiser, Rosemary Reiser, Virginia Lee Aggett, Tonia Danenberger, Judy Danenberger, Joyce Senter, Geraldine Pierce, David Winkelman, Beverly Plattner, Debra Winkelman, Judy Bloomfield, Jean Elliott, Mary Belle Wilkie, Carl Wilkie, Elizabeth Ann Wright and Harrison Thornley.

Honor guests from the Sansone School of Dancing in Springfield will also perform. They are: Madeline Ann Reid, Barbara Ann Reed, Richard Garfat, Kay Stulman and Mrs. Reed's assistant for the year, Carol Ward.

The public is cordially invited to attend.

White Hall Party Honors Woman On 77th Birthday

White Hall—Mrs. Wilbur Faulkner was hostess at a party given at her home in honor of her mother, Mrs. A. B. Walker, who celebrated her 77th birthday anniversary.

Four tables of luncheon were at play, with prizes being won by Mrs. Virgil Bowen, high; Mrs. John Overby, low; Mrs. Frank Beatty, floating; and Mrs. Carl Brant, bunco. Refreshments were served by the hostess.

Those present besides the hostess and her mother, included Mrs. John Overby, Mrs. Frank Beatty, Mrs. Virgil Bowen, Mrs. Ellen Smith, Mrs. William Owens, Mrs. Carl Brant, Mrs. Norman Jones, Mrs. Annie Barnard and Miss Jane McCarthy.

Mrs. Walker was the recipient of several birthday gifts.

Marjorie Lane Of Bath, Denver Man To Marry Sunday

Chandlerville—Mr. and Mrs. William Lane of Bath are announcing the approaching marriage of their oldest daughter, Marjorie Emma, to John Milton Bieschop, son of Mr. and Mrs. Milton Bieschop of Denver.

The ceremony will take place in the Chandlerville Salem Lutheran church on Sunday, June 5.

In the wedding party will be Mrs. Louise Busch, Jr., matron of honor; Nelda and Barbara Lane, bridesmaids; Nancy and Rochelle Hayward of Chicago, junior bridesmaids; Gordon Clegg of Chicago, best man; and Leonard Lane and Duane Hahn, ushers.

To Attend Summer School Mr. and Mrs. Evan Garner, teachers in the Chandlerville grade school, will enter MacMurray College June 6 for the summer session.

Auto Hits Pole; Passenger Hurt

A 1936 Pontiac car with an Iowa license, driven by Bernard Barber, collided with a boulevard light pole while parking on South Main street Friday night. A passenger, Lloyd Barber, sustained a cut on his head and was taken to a hospital for treatment.

Police investigated the accident, reporting that the light globe was damaged.

GOOD HEALTH FOR YOU

FROM
Excelsior Springs
Clinical experience reveals NATURAL MINERALS bring new hope for thousands suffering from rheumatism, arthritis, neuritis, stomach ailments, lack of vitality, nervousness, bloating.

Health without Drugs

For years many sufferers of rheumatism, arthritis, and neuritis, and kindred ailments have been doing themselves with pills, powders and other medicines. These only serve to deplete the pain temporarily. They have no effect on a common cause of rheumatic pains, namely SYSTEMIC POISONS. These poisons finally seep into the bones, muscles and nerves. So no wonder you ache all over, can't sleep at night, wake up stiff and sore in the morning. How can you expect freedom from pain until you do something to drive these poisons out of your system? New hope for relief is yours if you take NATURE'S OWN REMEDY—famous SPA MINERAL WATER—direct from Excelsior Springs. It contains NO DOSE, NO DRUGS, NO chemicals—just nature's own minerals—the OLDEST known REMEDY for rheumatism, arthritis, and kindred ailments.

Gives Wonderful Relief

What Others Say

... I had rheumatism so bad I could hardly do my housework. After taking only one bottle of Spa Mineral Water, I am helped so much I do my housework and hold a public job also. I hope those who are suffering as I was will try Spa and get relief for their aches and pains.—Mrs. M.E.B., Pocatello, Texas.
... Has helped me feel so much better my husband would like to try it so I would like a bottle for him.—Mrs. D. P., Chicago, Illinois.
... Your mineral water is wonderful and it has been a help to me in the use of only one quart.—Mrs. F.D.T., Leckert, Illinois.
* From Actual Letters in our files.

Nation's Health Capital

EXCELSIOR SPRINGS is known all over the world as the mecca for those who suffer from rheumatism, arthritis and neuritis. Thousands of people come to Excelsior Springs each month on the advice of their doctors, to get cure or relief. Some are hobbling off the trains on canes or crutches; others are carried off on stretchers. A few weeks or months later they say they are free from crippling pains—are able to sleep soundly at night and live normally once again. They have nothing but praise for Excelsior Springs Mineral Water as a valuable adjunct to their treatment. NOW FOR THE FIRST TIME you can have the miraculous Saline Water right in your own home. This famous water has been concentrated so that the one quart bottle equals in mineral content FIVE GALLONS of Excelsior Springs Mineral Water. You simply take one or two tablespoons a day, mixed in a glass of ordinary water. Do this regularly and believe the evidence in your own case.

Amazing Facts from Chamber of Commerce

During a given period of time the Excelsior Springs Chamber of Commerce surveyed 48,837 sufferers of rheumatic diseases who were treated by Excelsior Springs Mineral Water. Therapy: 44,443 of these sufferers definitely stated they had received RELIEF from their ailments. It is not claimed that Excelsior Springs

Applications For Corn Loans Must Be Made At Once

"Illinois farmers wanting to put their 1948 produced corn under government loan would make application at the County Agricultural Conservation Office without delay," Harry M. Combrink, state PMA committeeman said Saturday.

He explained that farmers who wait too long for making application may find that their requests will not have time to be processed before the deadline. The official final date for completing a loan on corn is June 30. This means that the loan must be applied for well in advance of that date.

The completion of a loan is necessarily a time consuming task. The crib must be inspected, a sample of the grain taken and submitted to the state office for testing and the results computed. This is in addition to considerable clerical work in filling in and checking loan papers. "Personnel in both county and state office is limited," he said. If the offices are swamped with loan requests late in the month, it may be impossible to process all of the applications.

As an alternative price support measure, producers may desire to secure a purchase agreement rather than a loan. These purchase certificates represent an agreement whereby the farmer may sell his corn to the government at the county loan rate if he is unable to dispose of it on the open market by September 1.

In this manner the purchase agreement offers the same level of price protection and it can be fully executed in the county office in a few minutes. Producers may apply for and receive these certificates up to and including the June 30 deadline date.

CONFERENCE SPEAKERS

DR. JAMES W. CLARKE

REV. EDGAR JONES

Plans for the 126th session of the Illinois Conference of the Methodist church, which will open Monday evening, June 6, and continue until June 12, are near completion. An estimated 1,000 persons will attend the conference sessions at the Grace Methodist church, West State and Church streets.

Dr. James W. Clarke is scheduled to address the conference on Wednesday evening, at 8 o'clock. The Scotch-born minister's subject is "It Is Not Enough." Dr. Clarke, a frequent speaker at ministerial conferences and religious meetings in the United States and Canada, began his theological career in Canada and is now minister of the Second Presbyterian church in St. Louis.

On Saturday evening, at 8 o'clock, the Rev. Edgar DeWitt Jones will lecture on "The Greatening of Abraham Lincoln." Dr. Jones, who served for 26 years as minister of the Central Woodward Christian church, Detroit, Mich., before his retirement, is an authority on Americana, especially Lincolniana. His latest book, Lincoln and the Preachers, is now in its second edition.

Vows Exchanged

By Indiana Girl, Former Local Man

The Church of the Brethren in South Whitley, Ind., was the scene of the marriage of Miss LaVonne Sharp, daughter of Mr. and Mrs. Fred Sharp of South Whitley, and Percy E. Davis, son of Mr. and Mrs. Lewis E. Davis of Fort Wayne, Ind., former residents of this city.

The couple was united in a double ceremony performed by the Rev. Leo Miller on Sunday, May 22, at 2:30 p.m. Music was furnished by Mr. and Mrs. Vernon Steinbaugh. The maid of honor was Miss LaVonne May of Fort Wayne. Frank Davies, brother of the bridegroom, served as best man. The ushers were Roy Greener of Fort Wayne and Duane Amstutz of Grapill, Ind.

White satin and Chantilly lace fashioned the bridal gown, which was styled with a Bertha of lace and pointed sleeves, edged in lace. A crown of seed pearls and lace secured her fingertip veil. She carried a white Bible, topped with American Beauty roses and wore a rhinestone necklace, gift of the bridegroom.

The maid of honor was attired in a gown of rose taffeta, with which she wore matching mitts and a ruffled headpiece. Her bouquet was of mixed garden flowers.

A reception for 200 guests was held at the home of the bride's parents. Those serving were the Misses Edna Branning of Huntstown, Ind., and Patricia Couture of LeOtto, Ind., and Mrs. Billie Brown of Indianapolis.

Upon returning from their wedding trip, the couple will be at home at 2020 South Fairfield avenue, Fort Wayne.

Jersey Playground Will Open Monday

Jerseyville—The Jerseyville playground will open Monday for the summer season with Mrs. Betty Fuller in charge. For the first two weeks, the playground will be open only in the afternoons, so as not to conflict with the Daily Vacation Bible school, which will be in session mornings during that period. Plans are nearly complete for the Jerseyville community carnival and homecoming, which will be held at the playground from June 20 through June 25. Local civic and fraternal groups are sponsoring the all-home carnival, the proceeds of which will be utilized in making permanent improvements at the playground.

Harry Blish is chairman of the program committee. Other department chairmen are bingo, J. W. Leckner; food, Raymond Dugan; frozen custard, A. H. Schlotzhauer.

A white elephant sale will be held during the carnival, sponsored by the Jerseyville Woman's club.

SMOKE CAUSES ALARM AT STORE ON PUBLIC SQUARE

Beachhead Revisited: Hulks That Litter 'Utah' Stir Memory Of Returning D-Day Newsmen

By BOYD LEWIS

Utah Beach, Normandy—(NEA)—Utah, rusting hulks project from the sands across which the U. S. 90th, 4th and 9th Divisions fought five years ago on D-Day.

They are scarcely recognizable today as landing ships, trucks and tanks. The lapping of the surf carries no echo of the battle for the beachhead. The air is sweet, without hint of cordite.

There are those in this party of American correspondents, who flew here in American Overseas Airlines Operation Beachhead Revisited, who can say "I stood right here" or "They pinned us behind the seawall with an 88 in that blockhouse."

But these are the haunting, far-away memories of another age, when these well-groomed newspapermen in variously colored business suits wore the Army khaki, washed in their tin hats like doughboys and ate cold C rations with their fingers.

Today they are tourists: five years ago they belonged here. They were here then as part of the most complicated war news coverage ever seen. The stories they wrote and the pictures they took told the people on the home front the shape and sound and smell of war.

They got tired and dirty and scared just like the troops whose battles they reported. They went on over the hills behind the beach and followed the troops through places like Montebourg and Carentan and St. Lo—past Paris and the Seine—past a place called the Bulge and through the Siegfried Line.

Through them the home folks learned in Gainesville, Tex., how Staff Sgt. Warren Snider exposed himself to German guns for an hour to help the mortar boys blaster the

RUSTY MEMORY: The surf that rolls against the battered hulks this French girl watches on Normandy's sands carries no echo of the battle for the beachhead on this spot five years ago.

to prevent its being shot out these and ten thousand other stories of individual and collective gallantry, guts and humor.

The Army gave the correspondents jeeps and organized them into press camps, with direct wireless transmitters to rush their dispatches back to New York or London. Pressing close behind the advancing armies, these camps—often numbering 200 to 300 correspondents, officers, drivers, mechanics, cooks, guards and censors—settled down for a few days to a few weeks in castles, schoolhouses, convents or under canvas.

Each day the correspondents would fan out by jeep toward the front lines to get their news; at night they'd rush back to pound out their stories or dispatch their pictures. Censors travelled with every forward press camp and they could be as fussy as any rear-echelon blue-pencil and shears artist.

Sometimes a correspondent pressed too close. The 1st Army left Texas Bill Stringer in a grave on the road to Paris, victim of a Nazi gun. Wright Bryan of the Atlanta Journal, a member of this party, was wounded and captured and spent months in the Nazi prison.

It's unlikely that there ever again will be war coverage organized like this, because it's likely to be a different kind of war. Perhaps this expedition is a last nostalgic attempt to recapture the camaraderie of the press camps.

Our guide is AOA's Director of Public Relations, Ben Wright. Ben was commanding officer of the 9th Air Force's advance press camp, which was established on the beachhead on D-Day and which followed close behind the troops until V-E Day.

Greene County 4-H Clubs Plan Events For June And July

Carrollton—Twelve 4-H clubs of Greene county were represented at the meeting of the 4-H Club Federation held Wednesday evening in the Farm Bureau hall, at which time plans were made for the 4-H tour to the University of Illinois on June 16, for the annual keeping-fit field day on June 28 and for the Greene County fair from July 11 to 15.

Plans for the tour to the university had to do mainly with the transportation aspect of the trip. Last year the boys and girls of the county made the trip with the men of the Greene County Farm Bureau furnishing the transportation. This year each club will be responsible for the transporting of its own members.

The keeping-fit field day will be held at the city park and Dr. Hall of the extension staff of the University of Illinois will make physical examinations of the 4-H club members. Local persons who will assist him are Roy Reynolds, Oscar Thibaud, Russell Finney, Mrs. Bob Hubbard, Mrs. Francis Tool, Howard Hobson, Mrs. Rex Hallock, Mrs. Glyndon Price, Mrs. S. F. Wehrly and Mrs. John Taylor.

WHITE HALL

White Hall—The First Baptist Church will present a gift to each graduate of the eighth grade and High School at the church during the Sunday School hour June 5.

Mrs. H. B. Anderson returned home Wednesday after a visit with Mr. and Mrs. Judson Hoover of Milton. The Hoovers spent Sunday with Mrs. Anderson, who accompanied them home for a short visit.

Mrs. Jess Dean of near White Hall entertained the Merry Mix Up club with an all day party and pot luck dinner Thursday.

Mrs. A. R. McConathy was hostess to the Chi chapter of Delta Kappa Gamma Wednesday evening.

Mr. and Mrs. L. B. Williams and daughters attended the MacMurray College graduation in Jacksonville Sunday evening. Mrs. Williams' sister, Mrs. Katherine Sheppard, was a member of the graduating class.

L. B. Williams was called to Cedar Falls, Iowa Wednesday by the serious illness of his sister, Mrs. E. H. Webb.

Mrs. J. M. Sparks and daughter, Bonita Sue, of St. Louis are spending the week with her sister, Mrs. Robert W. Piper. Mr. Sparks will arrive Friday to accompany his family home.

Lynn Campbell and wife, who recently returned to the United States after Mr. Campbell's three years abroad in the armed forces, stopped in White Hall enroute to Oregon. They visited Misses Mary and Margaret Vermillion, Mr. and Mrs. Frank Campbell and other relatives here and in Jacksonville.

Mr. and Mrs. A. J. Harding were hosts Thursday night to 35 members and wives of the Madison County Floral association. The Hardings are the only members in Greene County. A chicken supper was served, followed by the regular business.

Local Real Estate Board Discusses State Legislation

A. B. Applebee led an open discussion of bills pending in the Illinois state legislature at a meeting of the Jacksonville Real Estate Board Friday evening in the Durlap hotel.

The local board went on record as being opposed to Senate bill 565 and House bill 949, which would increase the powers of taxation in every Illinois city, village and incorporated town.

The bill, backed by the city of Chicago and the Illinois Municipal League, would give any municipality the power to impose taxes by licensing for revenue purposes all persons engaged in gainful occupation.

The board also considered housing and rent control conditions. C. L. Rice, president, conducted the business session.

Pollet Chokes Boston's Ninth Inning Rally As Cardinals Win 2 To 1

Boston, June 4.—Lefty Howie Pollet choked off a threatening ninth inning rally to hurl the St. Louis Cardinals to a 2-1 victory over the top place Boston Braves tonight before a 38,315 crowd, largest of the Boston National league season. The Cards scored both of their runs by banging Johnny Sain for four consecutive singles in the first inning. Pollet had a two-hitter going until the eighth inning and a shutout until Jim Russell and Sibby Sisti clubbed him for two baggers in the ninth.

The latter was on third with the tying run when pinch hitter Connie Ryan ended the game by flying to left field.

Stan Musial launched the red hot Cardinals' drive by singling to right with two out in the opening frame. Enos Slaughter then slammed into that same territory on the hit and run, Musial going to third. Musial raced home when Ron Northey dropped a hit into center. Eddie Kazak then drove in Slaughter with the winning run with a safe drive to deep center.

The Cardinals slammed Sain for 10 hits, including three by both Slaughter and Kazak and two by Pollet as he chalked up his fifth win against three losses.

Iowa, Michigan And Indiana Tie For Big 9 Title

Chicago, June 4.—(P)—Indiana, Iowa and Michigan, each with 8-4 records, share the Big Nine baseball championship as the conference campaign closed today.

Each of the three leaders closed its season a week ago. Ohio State met Purdue in the conference's final two-game series yesterday and today with the Buckeyes winning both times to erase Purdue's chances of taking the pennant outright. Purdue ended in fourth place with 7-5 after being battered 13-1 and 16-5 by Ohio State which wound up in sixth place behind Illinois. Purdue, however, has already been selected along with Indiana to represent the Big Ten in this district's N.C.A.A. playoff with Notre Dame and western Michigan to determine which team will enter the national baseball series.

There will be no playoff among Michigan, Indiana and Iowa for the Big Ten championship. All three will share it.

Tigers Spot Bosox 6 Runs And Then Beat Them 10-9

Detroit, June 4.—(P)—The never-say-die Detroit Tigers spotted the Boston Red Sox a six-run lead and beat them 10 to 9 in a hectic game today.

The Tigers were guilty of six errors and some sloppy base running in the early innings, but were given a helping hand by Red Sox pitchers who yielded 10 walks in the last three innings.

Six of those 10 runners subsequently scored as the Tigers climaxed their uphill fight with a four run rally in the eighth inning that gave them a 10-9 margin.

Hal Newhouser, the Tigers' ace left-hander, worked the ninth inning and held the Bosox scoreless although Don DiMaggio got a double. Ten pitchers saw action in the two hour and 55 minute see-saw game with Marv Grissom, the Tigers' fifth pitcher, getting credit for his second win as against no losses. Earl Johnson, third Boston pitcher, was charged with their third loss as against three wins.

The win was the eighth for Detroit in their last nine games and was the sixth in a row that was decided by a one-run margin.

Giants Use Homers To Beat Cincinnati Reds In 9-3 Fray

New York, June 4.—(P)—The New York Giants went on a home run spree today, belting four out of the park to trounce the Cincinnati Reds, 9-3.

Three of the blows came in succession in the sixth inning to tie a Major league record held by many teams. Whitely Lockman, Sid Gordon and Willard Marshall connected consecutively off Herm Wehmeier in the sixth to give the Giants a 4-2 lead.

The Reds narrowed the gap to 4-3 with a run in the eighth but the Giants blew the game wide open in their half, scoring five runs, three of them coming on winning pitcher Clint Hartung's mighty home run into the upper left field stands.

Seminick's Homer Gives Phillies 1-0 Win Over Chicago

Philadelphia, June 4.—(P)—Ken Heintzelman's six-hit pitching combined with a seventh inning home run by Andy Seminick gave the Philadelphia Phillies a 1-0 win today over the Chicago Cubs.

It was Heintzelman's second shut-out victory of the season and gave him a season's record of five wins and three defeats.

Seminick's home run was his eighth of the season, his last five coming in the Phillies last six games. Bob Rush yielded all the Phils four hits before he was relieved by Emil Kusch in the eighth inning.

Yanks Overpower Cellar-Dwelling Brownies 11 To 3

St. Louis, June 4.—(P)—The New York Yankees started and finished strong today, crushing the St. Louis Browns, 11-3 to extend the tail-end Missouri's losing streak to 10 games.

New York scored four runs in the first three innings and seven in the last three. The Yanks whacked a trio of St. Louis pitchers for 15 hits with Dick Kryniski, Gene Woodling and Phil Rizzuto getting three apiece.

Tommy Byrne opened for the Yanks and was working on a 4-0 lead going into the fifth inning when the Browns nipped him for a run on a walk and a pair of singles. The Browns sent Byrne to cover in the sixth, scoring twice on a walk and singles by Dick Kokos, Whitey Platt and Johnny Sullivan. Cuddles Marshall took over with the bases loaded and got Jerry Pridy to pop out to end the threat.

Tom Ferrick, second Brownie pitcher, was tagged for two runs in the seventh on a walk, error, singles by Woodling and Yogi Berra and a fly out. Ferrick allowed three more markers in the eighth and former Yankee Karl Drews the final two in the ninth.

7,500 See Celebrities Stage Golf Tourney

Washington, June 4.—(P)—Attorney General Tom Clark tapped a blooper into the ditch in front of the first tee, Baseball Commissioner A. B. (Happy) Chandler fouled off a couple before connecting for one down the middle, Arthur Godfrey shot a 59 for nine holes and Sam Snead turned in a sizzling 65 for 18. That gives an idea of the conglomeration of talent playing in the first round of the third annual National Celebrities Golf tournament at the Arm and Navy Club today.

The event is sponsored by the Washington Post with all proceeds going toward combating juvenile delinquency.

Leading figures of the government, the military, stage and screen and the sports world combined to make the sultry day and tree-studded, gully-fringed course a paradise for the celebrity-minded among the gallery of about 7,500.

The gallery, as usual, swarmed around Bing Crosby and Bob Hope, and the fact Hope turned in a 74 and Crosby a 77 with their public clinging to their shirtsails is a tribute to their ruggedness.

The two-round event, with the final round scheduled tomorrow, is supposed to crown champions in five divisions.

Among the better scores turned in today were a 68 by George Fazio, 71's by Allan Burton, Jimmy Thomson, Lew Worsham and Ray Wade Hill and a 70 by Cary Middlecoff.

Grace Lenzy led the women performers with a 74, and Betty Jameson had an 81 and Peggy Kirk a 77 among the other women performers.

At the other extreme Labor Secretary Maurice Tobin had a neat 101. Frank Leahy didn't have the help of his Notre Dame football team and finished with a 91. General Omar Bradley had a commendable 82, and General Hoyt Vandenberg a 79.

Athletics Cool Off Indians And Win 10-3 Contest

Cleveland, June 4.—(P)—The Philadelphia Athletics cooled off Cleveland's reviving world champions today and slipped into fifth place in the American League by defeating them, 10 to 3.

With Dick Fowler pitching his first complete game this year, the A's tagged Gene Bearden and three other pitchers for 12 hits, one a home run in the eighth inning by Sam Chapman, his sixth of the year.

It was the first game in six the Athletics won. For the Indians, who just finished winning a series from the Boston Red Sox, the defeat was their third in 10 games and shoved them into sixth place.

Gene Bearden, the Indians' prize rookie last year, started. When he got to the third inning he blew up like a bush leaguer on his first time out.

In that one, Eddie Joost doubled to left center, and after Wally Moses walked Bearden advanced them both on a wild pitch. Then he walked Ferris Fain, walked Chapman to force in Joost, and threw another pitch in the dirt. Moses scored and Fain and Chapman advanced a base.

Bearden was jerked and replaced by Al Benton, and the A's with him impartially, landed on him for four more hits. They finally were put out with six runs.

The Indians, hitting safely eight times, got two runs in the fourth inning and one in the eighth. A crowd of 33,597, 16,443 of them paid admissions, watched the Indians go through the wringer.

Announce Week's Card For Junior Softball

With the advent of school activities, junior softballers are ready to shove off for a full-summer of league activities on the northside diamond.

The schedule for a full week, starting Monday night has been announced by recreation club junior chairman, Howard Arundel. Arundel stressed that this week is more or less a trial run for the junior batsmen. At the cessation of the week's hostilities two leagues—six teams in each—will be formed.

Another team is needed to complete the 12-team roster. If any boys want to play softball, and are not over sixteen years old, they should contact Arundel at 1731-Y and get their hats in the ring.

White Sox Defeat Senators 2 To 1 On Unearned Run

Chicago, June 4.—(P)—The Chicago White Sox had the help of an unearned run in the first inning to defeat Washington, 2 to 1, today and break a three-game losing streak.

Eddie Robinson's miff of a ground ball hit by lead-off man Dave Philley was the opening for the gift run that spoiled the five hit hurling of Walt Masterson. The Sox tacked on the victory score in the fifth as Bill Wight and Philley singled. Luke Appling walked to fill the bases, and Earl Rapp walked to force home a runner.

Applying was playing his 2,100th game at a shortstop for the White Sox. He had himself a noteworthy day in getting one hit in two official times up and handling five chances flawlessly.

Wight, in giving eight hits, registered his sixth victory. The wildest lefty in the league last season, when he led in walks, Wight gave just one intentional pass. He has now gone 25 innings on just two walks.

Belleville Preps Win Third State Baseball Crown

Peoria, Ill., June 4.—(P)—Belleville defeated Maine of Des Plaines 7-2 last night to win its third state high school baseball crown.

Winner in 1940 and 1947, Belleville became the first team in the meet's history to capture three flags.

Darrell Thompson scattered five hits for the victory, permitting only one runner to pass first base in the last five innings. He walked two and fanned 15.

To gain the finals, Belleville defeated Peoria amateur 4-2 in the afternoon semi-final round while Maine downed Collinsville 3-1.

Coke Juniors Win At Arenzville

The Coca Cola juniors copped their fifth softball game when they clipped an Arenzville nine 16-11 on the Cass County diamond Friday night.

Winning battery for the Jacksonville team was Lair and Dixon on the mound with Stewart behind the plate.

The Implement Dealer "A" league club will play a double header at Danville Sunday evening.

HE'LL STAY 20 FEET UP TILL INDIANS TAKE OVER FIRST

Cleveland, June 4.—(P)—One of the faithful still is 20-foot up. His determination to stay there till the Indians reach first place in the American League standings is undaunted.

Charley Lupica, an east side drug-gist, has been perched on a flag platform near his store since Tuesday. He took a solemn oath he would not come down until "the Tribe is in first place."

After learning of his favorites 8-1 win over the Boston Red Sox today, Lupica said:

"Now they're on the way. I can't wait."

Since he went up, the Tribe has won 2 and lost one.

2 Jockeys Hurt, 2 Walk Away In 4 Horse Pile-Up

Arcadia, Calif., June 4.—(P)—Two jockeys were injured and two walked away in a spectacular pile-up involving four horses in the fourth race at Hollywood park in Santa Anita.

As an estimated 32,000 fans looked on, the spill occurred at the far turn of the seven furlong race when Juan Kid apparently ran up on the heels of Final Cal.

Huon Kid went down, with Jockey Sexto Cardial with him.

Gazalo, with Jockey Harold Dailey aboard, piled on and both went down. Two other horses, Dark Buchan and Albelle, ducked out to avoid the tangle and their respective riders, Grant Zufelt and William Shoemaker, left their saddles. Both walked away nursing only slight bruises.

Bailey, examined in the track hospital, suffered a possible fractured collar bone and Cardial a possible broken rib. Both were painfully bruised and cut.

None of the horses apparently was hurt. Speak Up, the favorite, was not involved and won the race.

Nimbus, 7-1 Shot Wins Epsom Downs Derby In England

Epsom, England, June 4.—(P)—Nimbus, bred by a bookmaker and owned by the wife of a lawyer, today won the richest English Derby in the classic's 170 years in a photo finish.

The photo showed Amour Drake, a French horse which challenged during every step of the end of the mile and a half trip, in second place, about a head behind the victor.

Third went to Lord Derby's Swallow Tail, who had run neck-and-neck with Nimbus around most of the horse-shoe shaped course.

Nimbus paid off at 7 to 1 for those among the estimated half-million fans who watched the race. The triumph was worth \$56,680 to Mrs. Marian Glenister, the barrister's wife.

The victory was popular with the partisan crowd. It was the first time in three years that an English entry has won the race—one of the most famous in turfdom.

Nimbus is not entered in the St. Ledger next September and thus will not have a chance to win the coveted English triple crown. Before taking the derby, Nimbus had captured the 2,000 guineas, the third classic—also in a photo.

Ponder Wins Peter Pan Handicap With Fast Stretch Drive

New York, June 4.—(P)—Ponder returned to his Kentucky Derby form today and rambled home in a furious stretch drive to capture the \$18,450 Peter Pan handicap.

Trailing in a dusty eighth place in the early part of the mile and one eighth gallop at Belmont park, Ponder got up steam in the stretch run and ripped under the wire a three-fourths of a length winner of Colonel Mike.

Colonel Mike, owned by Eugene Jacobs, was six lengths better than Clifford Moore's Old Rockport at the finish. Kink Ranch's Curandero was fourth in the field of nine class three-year-olds.

Ponder got some sort of revenge this time, as Greentree stable's Capot, the Preakness winner, folded up in the late going and wound up an unglorious seventh. Ponder had to be content with fifth in the Preakness, after winning the Derby roses.

The winner, a dark bay son of Pensive-Miss Rushin got a brilliant ride by Jockey Steve Brooks. They were clocked at a good 1:49 2/5 over a lightning fast track. Ponder, off at 5 to 2, made his backers happy with a \$7.10, \$4.90, \$4.20 return in the mutuels.

CHICAGO LIVESTOCK MARKET REPORT

Chicago, June 4.—(P)—Hogs sold within a \$19.25 to \$22.25 range today, closing another week with prices substantially higher than a week earlier. Cattle also were quoted steady today. There was nothing offered in the sheep section.

A steady advance in hog prices was brought to at least a temporary halt Friday, but not before a new top since early March was made at \$22.50. The market was supported by gains of around \$1 in spare ribs, fresh pork and Boston butts.

Cattle also continued to roll ahead, average weekly steer culling was brought to at least a temporary halt Friday, but not before a new top since early March was made at \$22.50. The market was supported by gains of around \$1 in spare ribs, fresh pork and Boston butts.

Jay-Cee Girls Shutout Taylorville Lassies 5-0; Jr. Moose Lose

"Pug" McDaniel, subbing for injured Bert Lauder, twirled a neat three-hitter for the Jay-Cee girls softballers as they downed the Taylorville femmes 5-0 at the local diamond Saturday night.

The Jacksonville hurler was in hot water only twice during the entire seven-inning route. An error threatened to hand the Taylorville lassies a counter in the initial inning, but two sterling plays by the Jay-Cee infield cooled them off. Again in the fifth canto, the visitors got tough when they binged twice off McDaniel's offerings. However, she yielded nothing more than a "scare" in that frame too, and walked off the mound with her first win of the current season.

The Jay-Cee girls pounded the apple for a total of 8 safeties. J. Hubbert, Schneider and Phillips each tallied a brace of hits for the Cole-coached club. J. Hubbert and Schneider carried the mail across the plate to score all 5 of the local runs.

The Jay-Cee girls, who previously lost to Taylorville 2-1, scored pairs of runs in the first and fifth chapters and tallied once in the third to add up their five markers.

The Moose juniors dropped a 4-2 contest to a fast-moving Manchester club in the Saturday night preliminary.

The Pepsi Cola nine tangles with Murrayville in tonight's opener. The K. of C. "A" league entry will meet the House of Clay, another "A" league team in the feature tilt.

ISLAND OF ESCAPE

THE STORY: First a murder, then fire and explosion which destroyed everything on the island, make the "New Eden" of Henry Harding on Spruce Island anything but a paradise. Eight islanders are now without shelter and very little food with a war-dread in their midst. Then another body is found, that of the man on the Spruce Island, and which brought Bea Cosgrove and others to the island. Harding believes the Saboteur started it, for he is a graduate. Then George Bascombe picks up the rifle from the body and points it at Fred Sillwell.

"Fred'll hunt around until he finds some food to bring to us." "You see you in hell first," Sillwell said, but the words lacked any conviction. "Have it your way. But you're the one with the thirst and I'm the one with the whiskey," Fred licked his cracked lips. "I'll buy it. I'll pay you for it." "With food," Bascombe insisted. "And from the looks of things you'd better start hunting. Who ever blew things up did a first-class job." The stone steps and a small portion of the western foundation wall of the house remained. It marked now the edge of a cliff which dropped abruptly to the water.

On the southern side where the fanciful had been, the blast and ensuing slides had laid bare blank rock. Shining stone, mixed with debris from the house had piled up in the treacherous currents of the cove. There was no sign of either dock or lower storeroom, just a formless, smothering mass of rubber. All outbuildings had been knocked flat by the explosions and partially burned before the deluge.

Bea Cosgrove said, "What can you gain by this? Some ship must have seen the fires. Or a fishing boat will come. You won't be king very long, George." "Maybe not, I doubt if anyone could have seen the fires at a distance all through that storm. At any rate, I'll be king for a day," He looked at Nona again. "Come on, Mollie, let's get a fire going where it's dry."

"You have matches?" Mabel Jones asked. "Yes. Dry matches. Strange, isn't it? Last night too much rain. Today, no fire but the one I'm going to light. So if the rest of you want fire, you'd better help Fred collect luxuries for me."

"You're horrid," Agnes Firth said. "I always thought people stuck together in times like this." George laughed again. "The emergency is over. This is recon-version. Come on, Mollie."

Cynthia Brunk Honored Saturday On 30th Birthday

Mrs. Cynthia Brunk of 1027 N. Fayette street was honored on her 30th birthday Saturday at a surprise party given by friends and relatives at the home of her niece, Mr. and Mrs. H. A. Edelbrock, 1720 S. Main street.

Mrs. Brunk, who is very active in caring for her household and garden, is the oldest member and a leader in the Primitive Baptist church, which she joined in her youth.

She has spent her entire life in Morgan county, and since leaving her farm north of Concord about 25 years ago has lived at her residence on North Fayette. Her husband, G. W. Brunk, died about 26 years ago.

Mrs. Brunk was presented with a beautifully decorated cake which she was not allowed to cut until she was alone in her home. Another cake, baked and decorated by her niece, Mrs. Alma Bates, was served after Mrs. Brunk had blown out the lighted candles.

Refreshments, consisting of several kinds of cake, ice cream and strawberries, were served to 24 guests. Other relatives were unable to attend because of failing health.

Those present were: Mr. and Mrs. V. S. Chappell, Murfreesboro; Mrs. Grace Smith, Mrs. Raymond Schmitt, and daughter Aveline and Beverly Beets, Azenville; Mrs. Maggie Mick, Mrs. C. D. McCullough and daughter, Betty Lou, Wayne, Neb.

Mr. and Mrs. John E. Brown and Mrs. Beulah Carter, Concord; Mrs. Nannie Scholfield, Lynville; Clarence Funk, Winchester; Mr. and Mrs. Lee Barry, Mrs. Katie Barry, Mrs. Ida Morris, Mr. and Mrs. William Gilbert, Mrs. Alma Bates, Mrs. Mae Mayze and Mrs. Brunk, all of Jacksonville.

Three Greene County Couples Exchange Vows

Greenfield—Three Greene county couples have exchanged wedding vows over the week end. All of the ceremonies were solemnized by the Rev. Robert S. Swain of this city.

Miss Joyce Lee, daughter of Mr. and Mrs. Roy Lee of the Wrights vicinity, and Dupree Strang, son of Ralph Strang, were married Friday in the Methodist church parsonage by the Rev. Robert S. Swain. They were attended by Mr. and Mrs. Dale Baldes.

The bride is a graduate of the local community high school, and the Lockwood Beauty school of Jacksonville. The groom, a veteran of World War II, is employed at the Powell service station here.

Young—Rathgeber
Miss Barbara Rathgeber, daughter of Mr. and Mrs. Wilbur Rathgeber, and Harold Young, son of Mr. and Mrs. Philip Young, were united in marriage Sunday at the Rockbridge Methodist church. The Rev. Robert S. Swain performed the double ring ceremony.

Mrs. Herschel Williams was pianist. Mrs. Wilfred Ethell of Springfield, Letty Young of Carrollton, William Ethell of Springfield and Joe Greene of Kane were the attendants. Walter McManus was usher.

Mr. and Mrs. Young will reside with her parents. He is engaged in farming with his father-in-law in the Rockbridge vicinity.

Ford—Terpenning
Miss Dorothy Terpenning, daughter of Mr. and Mrs. William Terpenning of the Carrollton vicinity, and Charles E. Ford, son of Mr. and Mrs. Stanley Ford of this city, were married Saturday at the Methodist parsonage here. Rev. Robert S. Swain officiating. They were attended by Robert Olston of Alton and Miss Henrietta Darr of Kane.

The bride, a graduate of the local high school, has been employed at the International Shoe Co. in Jerseyville. The groom attended the local schools and is engaged in farming with his brother-in-law, Bill Terpenning near Carrollton.

Plans for a series of trips to St. Louis to witness baseball games, the Municipal opera and other events of interest have been completed by a committee of Jacksonville post 278, American Legion.

The first trip in a chartered bus will be taken on the evening of June 14 to the St. Louis Cardinal and Brooklyn baseball game. The bus will leave this city at 4:30 p.m.

Legionnaires, their wives and the public will participate in the trip. Information may be secured from the custodian at the Legion home.

Plans for the summer excursion are in charge of Glenn Skinner, chairman, George Ashby and Frank A. Robinson.

Man Is In Prison 6 Years As State Searches For Him
Oklahoma City, June 4 — (AP) — Oklahoma forgot about that "bird in the hand" axiom.

So John McBee, 41, who is now at Salt Lake City, Utah, doesn't have to come back to finish serving a prison sentence.

The Oklahoma pardon and parole board disclosed the following today: McBee disappeared 21 years ago while on parole from the Oklahoma reformatory at Granite. He had been sentenced to five years for car theft.

He was arrested at Salt Lake City last March and Oklahoma asked Utah for his return.

McBee fought extradition and won.

His argument:
He served a six-year burglary sentence in the Oklahoma State penitentiary while Oklahoma authorities were looking for him and they didn't try to take him back to Granite at that time.

Pardon and parole officials blushing admitted something went wrong with the record system and no hold order was placed on McBee.

Dr. George W. Adams Named Dean Of College

Dr. George Worthington Adams, son of the late Dr. and Mrs. A. L. Adams of this city, has been named Dean of Colorado College. The appointment was announced Saturday at commencement exercises at Harvard University, where Dr. Adams is director of the Harvard summer school, and will be effective next September.

His wife, Mrs. Mabel Rogers Adams, is the daughter of Mrs. W. B. Rogers of 1051 West College avenue.

Dr. Adams graduated from Illinois College in 1927, and received his M. A. degree at Harvard the following year. He resided in Cambridge until 1933 continuing graduate study and holding academic positions at Harvard, Radcliffe, and Massachusetts Institute of Technology.

From 1933 until 1937 he was head of the history department at MacMurray College, and from 1937 until 1942 he held a similar position at the Yale University.

Dr. Adams served in the U. S. Navy during World War II, attaining the rank of Lt. Commander. He was for a time on the staff of Admiral King in Washington, but the greater part of his active duty was spent as an executive officer of communication units on the west coast and at Pacific bases. At the end of the war he was administrative officer of the Naval Communications Command on Okinawa.

While a resident of Jacksonville, Dr. Adams and his wife lived at 139 Park street.

Adams succeeds acting Dean H. E. Mathias, who will continue as director of admissions, director of the summer school and Dean of the arts and science school.

MacMurray Summer Session Will Open Monday Morning
Registration for the MacMurray summer session will be held on Monday, June 6, from 8:50 to 12 in the Pfeiffer Library building.

The summer session will run for an eleven weeks period with classes beginning on June 7 and ending on August 19.

Harold Gibson, director of the summer session, announced that courses have been planned to meet the needs of public school teachers who wish to complete their degrees.

Special courses for teachers will be given in the following fields: economics, education, English, humanities, health and physical education, history and government, psychology, languages, science and music.

White Hall Alumni Hold 62d Annual Meeting Friday
White Hall — The White Hall Alumni association held its 62nd annual meeting Friday night in the high school with Chester Castleberry, president, presiding.

Invocation was given by the Rev. Charles Vandeventer with song leaders Hal Galloway of 1902, Ralph Thomas of 1931, Mrs. Mamie Greer Moulton of 1918 and Mrs. Mildred Mosier Roodhouse of 1920 as piano accompanists.

W. A. Knoop, Jr., superintendent of the school, introduced Dr. Castleberry, who welcomed the class of 1949. The response was given by Bennett Roodhouse, class president.

A short business meeting was held at which time the following officers were elected for the ensuing year: president, Ralph Thomas; first vice president, John Neece; second vice president, Ruth Wilkes; Waltrip; third vice president, Harry L. McCracken.

The program included a reading by Mrs. P. N. McLaren, selections by the White Hall quartet, and piano numbers by Russell Chapman of the class of 1925. Dancing followed in the gymnasium until twelve with the music of Jimmy Conley's orchestra providing the program.

Punch and cookies were served under the direction of Mr. and Mrs. Henry Roodhouse and Mr. and Mrs. Ernest Roodhouse.
